REMINDER!

All SPUD Customers have access to a personal portal called EYE ON WATER, to view your water usage, receive notifications in the event of a possible leak, and other helpful features. Simply download the App onto your Phone and follow the set-up!

GROUNDWATER WELL PROJECT ON TRACK!!

SPUD received a grant from the Department of Water Resources (DWR) for construction of a new Groundwater Well, in the amount of \$799,730. For those of you who might not be aware, the District's current and ONLY source of water supply is Railroad Springs. A new Well will serve as a secondary or alternative source of domestic Water and Fire protection. The Well Project is set to begin in the Summer of 2024.

Stay tuned for more updates in the coming months!
