ADOPT A HYDRANT

SIERRA COUNTY FIRE PROTECTION DISTRICT #1 in collaboration with **SIERRAVILLE PUBLIC UTILITY DISTRICT**

encourages community members to find a fire hydrant near your home and help out by clearing snow away from the hydrant after storms. You can informally

"ADOPT A HYDRANT"

in your neighborhood and take responsibility to clear snow 3 feet in all directions from the hydrant, as well as keeping it visible from the street. This is a great way to give back to your community and neighborhood. Thank you for making yourself, your Family and our community a little safer!
