ADOPT A HYDRANT

SPUD, in collaboration with Sierraville Fire Protection District #1 encourages you to find the fire hydrant near your home and help out by clearing snow away from the hydrant after storms. You can informally **"ADOPT A HYDRANT"** in your neighborhood and take responsibility to clear snow 3 feet in all directions from the hydrant, as well as keeping it visible from the street. This is a great way to give back to your community and neighborhood. Thank you for making yourself, your Family and our Community a little safer!
